Whatever little information the human being can get about Allah can only be acquired through His names.

His attributes are totally separate from ours and cannot be examined in comparison to our attributes.

KNOWLEDGE: During infancy there was no trace of knowledge within us, but we gradually acquired a certain amount of knowledge by learning.

The divine attribute
Al-'Aleem (the All Knowing) means
He is the source of all knowledge

The Asmaul Husna (A 99) are an infrastructure for human Akhlaq.

The human being is the representative of Allah.

Prophet Muhammad (pbuh):

*“Adopt in
yourself the
akhlaq of Allah”*

Each name of Allah is a dua in itself.
