

# About Q Fatima

We are a dedicated learning resource organisation that's on a mission to share the wonders of the Qur'an through greater understanding.

We will reach this goal by building our own dedicated, easy to use online environment that our community can access, download resources and learn from, individually or in groups, from home or from schools.

With your support we want to continue to develop, innovative and create greater understanding of the Qur'an. We shall achieve this through new learning materials that are understandable, relevant and interactive and through supporting the development of teachers and schools throughout the community.

## A message from Ummulbanin Merali, Q Fatima - Chief Executive

I am writing to say thank you for your support in these uncertain times. It is appreciated now more than ever. It's thanks to you we can continue to propagate Islam and share the understanding of the Qur'an so that it can reach and enrich the lives of our community.

In this difficult period, when so many are faced with additional problems of health, livelihood and isolation, it's more important than ever for us to be there to help. As many families face extreme pressure due to

Covid-19 pandemic, we are doubling our efforts to remain on the frontline of supporting our community and sharing the comfort and blessings of the Qur'an when it's most needed.

The next six months and beyond will be challenging, and because of the greater need, we appreciate even more your support and consideration at this difficult time.

Without your support and generosity, we simply cannot reach all those who need us. We are thankful for your help and want to thank you for being part of the Q Fatima community. With your donation you are helping us be there for others, both now and in the future.
