NARRATIVE

The chapter takes its name from the directive to gather for the Friday prayers.

It is part of the Musabbahaat group of chapters which begin with the declaration of perfection of Allah (Glorification).

The focus of the chapter is the second verse which is the answer to the dua of Prophet Ibrahim for a global messenger for all generations.

It then warns of the afflictions that befell those who did not uphold the Tawraat (Torah). After stating the inevitability of death and the presentation of one's life works the chapter ends with an exhortation to Muslims to leave all worldly transactions to observe the Friday congregational prayers.
