

Rhymes for Muslim Children

4-7 years

PREFACE

Muslim Rhymes for Children was developed to enable children to increase their understanding of Islam in a fun way.

As rhymes often become the first sentences that children speak and memorise through repetition, they play a vital part in developing the foundation skills not only for speaking and reading but also in understanding the concepts of religion.

Learning to listen also allows children to think their way through a word sound by sound which gives them a head start in future reading success.

Finally, rhymes not only connect us to other people but also to history. Rhymes passed down from generation to generation link the past, present and future.

ALL THINGS BRIGHT AND BEAUTIFUL

All things bright and beautiful,
all creatures great and small,
All things wise and wonderful,
the Lord God made them all.

Each little flower that opens,
Each little bird that sings,
He made their glowing colours,
He made their tiny wings.

The purple headed mountains,
The rivers running by,
The ripe fruits in the garden,
He made them everyone.

He gave us eyes to see them,
And lips that we might tell,
How great is God Almighty
Who has made all things well.

Have You Ever Thought.....

Have you ever seen rain falling down,
Pitter patter, pitter patter falling from the clouds,
Have you ever thought who has made it so,
Was it us or Him who made it so?
Thank you Allah, Shukran Lillah,
Thank you for the rain falling from the clouds.

Have you ever seen the seed that is sown,
From which grows food for me and you,
Have you ever thought who has made it grow,
Was it us or Him who made it grow?
Thank you Allah, Shukran Lillah,
Thank you for the food that grows from the seed.

(This rhyme is based on ayaat 64-69 of Suratul Waqia)

MY SUMAYYA

May He bless you always darling,
May He shower you with His mercy.
My Sumayya, My Sumayya, My Sumayya...

Although I will love you always, His love is eternal.
My Sumayya, My Sumayya, My Sumayya...

Never leave His path my darling,
Never stop obeying Him.
My Sumayya, My Sumayya,

I have my Jaan* but one wish,
To see you of the righteous.
My Sumayya, My Sumayya, My Sumayya...

This world is not a playground,
You have not come to play.
My Sumayya, My Sumayya, My Sumayya...

Hold on fast to His Prophet, hold on fast to your Imam.
My Sumayya, My Sumayya...

May He grant you a long life,
May He fulfil all your wishes.
My Sumayya, My Sumayya, My Sumayya...

Don't strive for the world, but for the hereafter.
My Sumayya, My Sumayya, My Sumayya...

In trouble go to Him Jaan*, He is the only helper.
My Sumayya, My Sumayya, My Sumayya...

Obey Him always darling, and serve His creation.
My Sumayya, My Sumayya, My Sumayya...

*Jaan is an Urdu word meaning 'life' used in affectionate terms as 'love of my life'

Rock a Bye Baby

Your cradle is clean,

Qur'an is His word,
Muhammad His Prophet,
Last messenger to man.

WHO MADE THE ARK?

Who made the ark? Who made the ark?
Prophet Nuh made the ark.

In come the animals two by two,
The monkey and the kangaroo.
Who made the ark?

In come the animals four by four,
Two through the window and two through the door.
Who made the ark?

In come the animals eight by eight,
Some come early, some come late.
Who made the ark?

"Close the doors" he says,
"It's pouring outside,
Come inside, God will keep you safe.
Who made the ark?"

His ark is like the Ahlulbayt,
Hold on tight and you'll be safe.
Who made the ark?

ROUND AND ROUND THE KA'BA

Round and round the Ka'ba seven times,
Remembering Allah all the time.

Praying salaa at Maqame Ibraheem,
Knowing that we worship only Allah.

Walking Safa & Marwa seven times,
Striving like Hajra all our lives.

Wuquf in Arafah from Zhuhr to Maghrib,
Recognising Allah through ourselves.

Picking up pebbles in Muzdalifa,
Arming ourselves to fight our enemies.

Sacrificing on Eid ul Hajj,
Giving up for Allah what we love most.

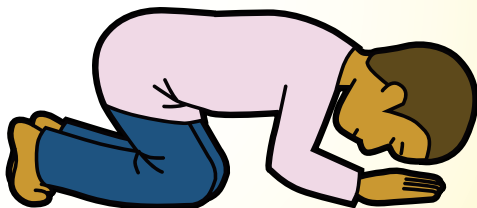

IT'S TIME TO PRAY

Boys and girls,
It's time to pray,
Adhan is called,
Five times a day.

Leave your playing,
And leave your sleep,
Ignore the noises,
In the street.

Pack up your toys,
And leave your games,
Remember Allah,
Most glorious of names.

Come in a hurry,
Come neat and smart,
Speak to your maker,
And open your heart.

THREE GOOD BOYS

Three good boys, three good boys,
See how they pray, see how they pray,
They pray together in a very straight line,
And follow the Imam in perfect time.

They're three good boys,
Three good boys.

And round like an 'O'

Who has made you as you are,
Sparkling over land and sea,
High above the highest tree,
Allah created you ,
And He created me,
In truth and so perfectly.

THE EVENT OF KISAA

Shall I tell you about the event of Kisaa,
The event of the Prophet's Kisaa.
He went to the house of Bibi Fatima,
And asked for the Yemeni Kisaa.

Then came Hasan and greeted his mum,
Assalamu Alayki, O Mother !
I can sense the presence of my grandpa,
He joined the Prophet under the Kisaa.

Then came Husayn and greeted his mum,
Assalamu Alayki, O Mother !
I can sense the presence of my grandpa,
He joined them under the Kisaa.

Then came Ali Ameerul Mu'mineen,
Assalamu Alayki, O daughter of the Prophet,
I can sense the presence of my cousin,
He too joined them under the Kisaa.

Fatima asked the Prophet,
May I join you under the Kisaa,
Yes! said Muhammad join us.

In the heavens Jibrail asked,
O Allah! Who's under the Kisaa,
The answer came , O Jibrail!
It's Fatima, her father, her husband and her sons.
