WHAT TO EAT

Is it permissible to eat everything that we see in restaurants & supermarkets; after all it is clean and properly cooked?

ISLAMIC LAWS

Allah the Almighty has made the beautiful nature and all animals and fruits and greenery at your disposal of mankind for his own use, so that he is able to use these things for eating and drinking, and covering himself to build his shelter, and other necessities, but for the protection of man's life, and for the security of his body and soul, and for those to come after him, and to protect the rights of others, laws and regulations have been laid down...
