

# Dua Mujeer

SEEKING REFUGE FROM THE DIVINE PROTECTOR

## DUA AL MUJEER

**Recommended to recite in the Ayyamul Baydh (13, 14, 15<sup>th</sup> nights) of the month of Ramadhan.**

The Prophet (pbuh) was praying at Maqami Ibraheem when Jibrail came and after greeting him gave him this dua as a gift from Allah (For forgiveness of sins even if they are more than the raindrops that fall during rain, or the leaves that fall in Autumn).

It is also for shifa from illness, relief from debts, sustenance, removal of sadness, freedom from intense problems, and safety from tyrants.

In the name of Allah, the Kind, the Merciful
