

# JAWSHAN KABEER

In one of the battles Rasulallah (pbuh) perceived his armour to be heavy. Jibrail came and said:

“O’Muhammad! Your Rabb conveys his greetings to you and has said to take this coat of armour (Jawshan in Arabic) and to recite it as this is a protection for you and your Ummah.”

It has been narrated from Imam Husayn (pbuh) that: “My father advised to me that I should memorize and protect this dua and write it on the Kafan (burial shroud) and that I should teach it to my family members and he highly encouraged me to read this dua as it contains 1,000 names of Allah.....”
