How will you show Allah that you are thankful for the bounties that HE has blessed you with?

SUBMITTING TO HIM

When we absorb the colours of Allah, we then reflect the colours of DIVINITY. Below is one of the many traits which will help us absorb the colours of Divinity: Forgiveness – learn to forgive & free yourself. What do you think?

FORGIVENESS

Think, Pair & Share: sit with your siblings/ friends (keep social distance in mind) and answer the following questions:

If something awful happened to someone you loved, do you think you would be able to forgive the person?
Discuss and write down your emotions towards the person who wronged the one you cared for.

.....
.....

Write a few sentences to explain your opinion and include reasons to support it.

.....
.....

How does forgiving someone make you feel?

.....
.....

“Holding on to anger is like grasping a hot coal with the intent of throwing it at someone else; you are the one who gets burned, learn to FORGIVE and FREE yourself.

EARTH, THE ONLY ONE WE HAVE GOT

Allah is the Creator and Lord of everything, that which we can see and that which we cannot see. One of His many creations is The Earth that we live on.

Below is a poem on our earth and the way we are treating it:

Look at our lovely Earth.
How will it look for your children or grandchildren?

Let us ask ourselves, are we bothered?
Do we care?
Can we make a CHANGE?

Are we prepared to make a switch from disposables
to reusables?

Will we step out of our cars?
Will we cycle, catch a bus or sometimes even walk to school?

Are we prepared to pay a little more for wind, solar and wave?
or are we just thinking of our pockets when we save?

It is difficult to avoid; it must be true
that Mother Earth is drugged with tonnes of CO₂.

Doing your bit for the planet, might seem an effort; but let us ask ourselves to work towards it,
as Mother Earth is the only one, we have got.

ACTIVITY

You can choose any ONE of the following tasks:

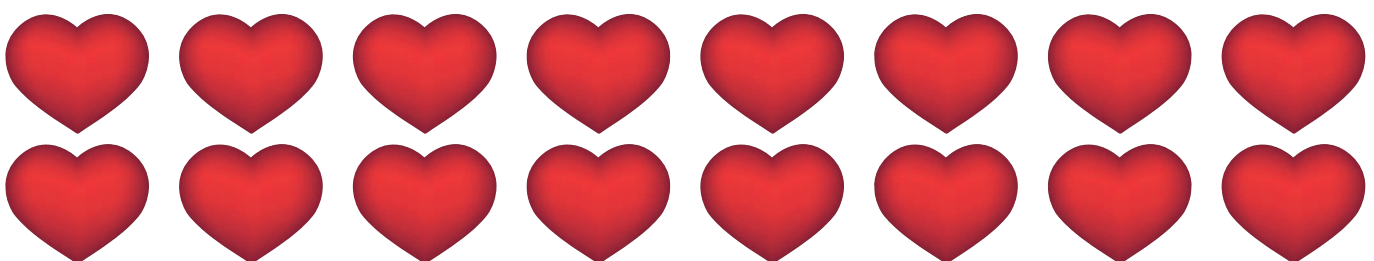

1. Illustrate the above poem.
2. Illustrate or write how you can make the earth awesome for the future generations.
3. A comic strip on how you can convince others to respect the Earth.
4. Design a poster about saving your Earth as it is the only one you have.

YOU CAN NEVER HIDE THE TRUTH

Wali is a young 10 year old lad. Who sometimes gets into trouble and many times instead of admitting his faults he tries to hide them with lies. The lies keep on building as he needs one more lie to hide his first lie.

You want to help Wali, take responsibility of his actions by doing the following activity with him, showing him that truth cannot be hidden.

YOU WILL NEED:

- Blackboard or a piece of coloured card
 - Piece of chalk
 - Hairspray
1. With a piece of chalk, write the word TRUTH clearly across a blackboard or a piece of card.
 2. Cover the chalk with hairspray.
 3. The word TRUTH will start to fade and disappear.
 4. After 3-4 Minutes the word TRUTH will reappear clearly.

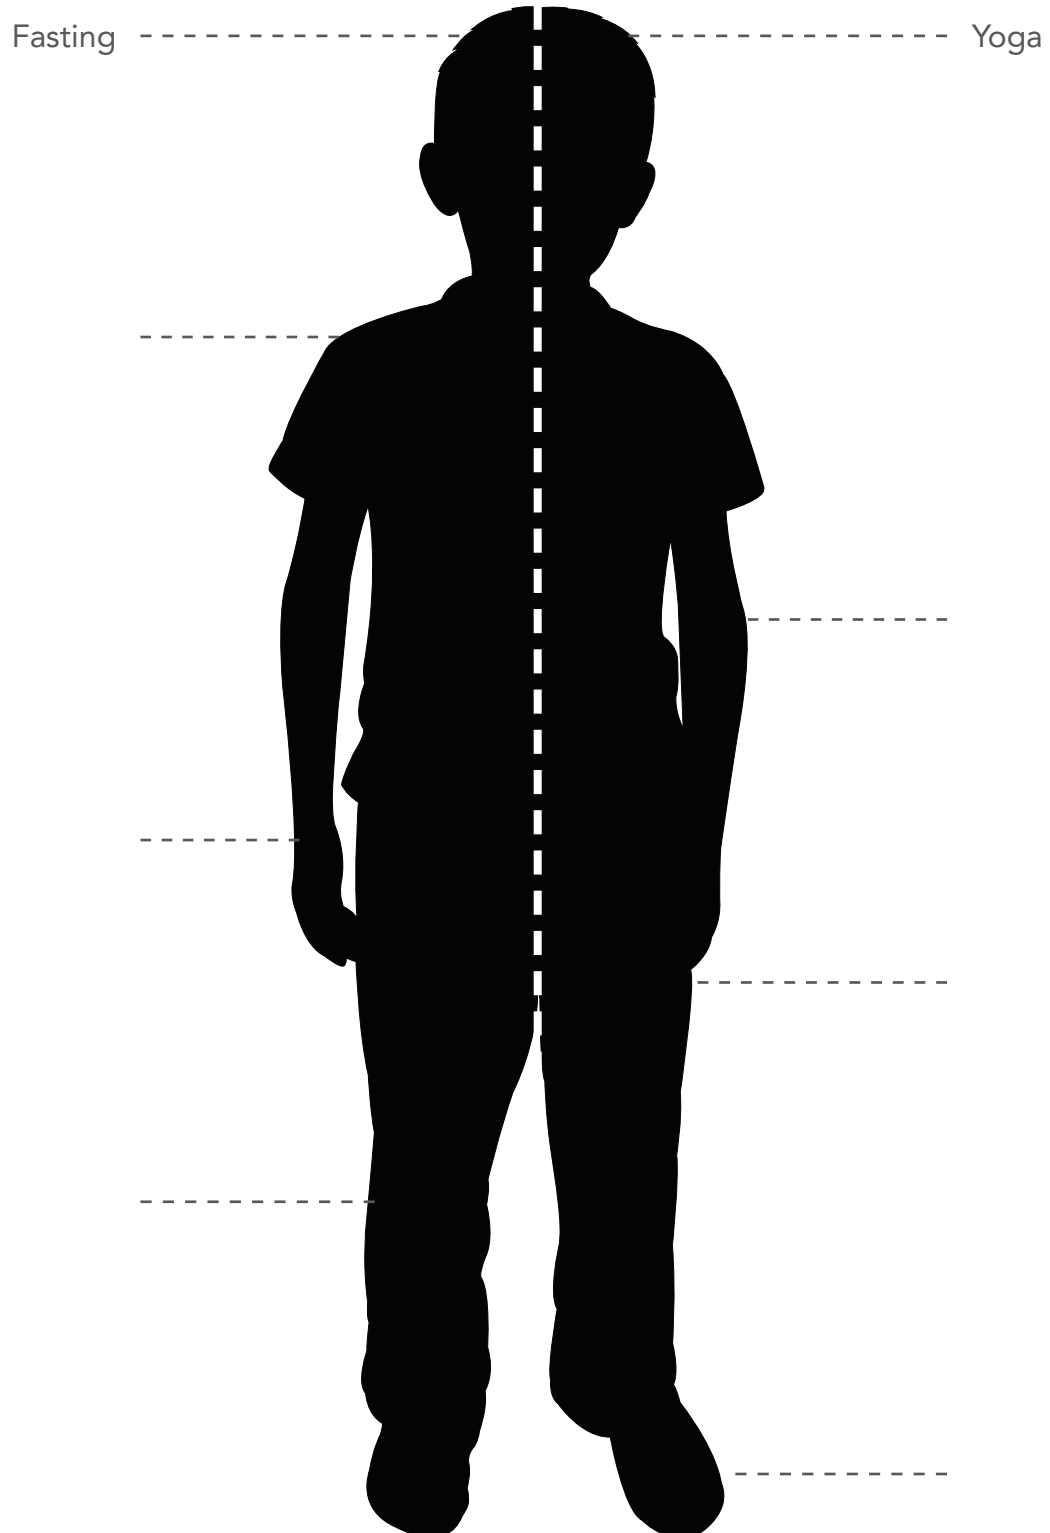

Conclusion:

Truth can never be hidden; Allah is always watching, and HE knows everything. On the day of judgement everything will be made clear, acts that we had hidden or forgotten about will all be exposed.

BODY & SOUL

We take care of both our body and our soul. In the image below on the left side write down all the care we give to our soul and on the right side all the care we give to our body. A couple are done for you.
